

Sepsis

September 2023

Welcome to our annual edition of the Sepsis Newsletter.

Created to inform and support you now and through the coming year with a mixture of reading lists, journal articles, and health information.

KLS Hub

Your first stop for information searching is to just type in **Sepsis** to search for useful books and journal articles:

(GEH staff access) <https://gehswft.wordpress.ptfs-europe.co.uk/information-resources/geh-cls-hub/>

(SWFT staff access) <https://gehswft.wordpress.ptfs-europe.co.uk/information-resources/swft-cls-hub/>

NICE Guidance

G51 Sepsis: recognition, diagnosis, and early management

<https://www.nice.org.uk/guidance/ng51>

QS161 Sepsis: quality standard

<https://www.nice.org.uk/guidance/qs161>

CG151 Neutropenic sepsis: prevention and management in people with cancer

<https://www.nice.org.uk/guidance/cg151>

Patient information

BMJ Best practice: Sepsis in adults <https://bestpractice.bmj.com/patient-leaflets/en-gb/html/3000058/Sepsis%20in%20adults>

BMJ Best practice: Sepsis in children <https://bestpractice.bmj.com/patient-leaflets/en-gb/html/3000059/Sepsis%20in%20children>

Books

Don't forget, you can also search the [library catalogue](#) to reserve books from other health libraries across the Midlands and collect them from your Trust library

[Sepsis resources available from your library](#)

Clinical journal articles

Below is a small selection of clinical journal articles available on Sepsis.

Contact the library to find more. You may require a free OpenAthens password to access the full information - register at <https://openathens.nice.org.uk/>

BEM, R.D. (2018) 'Sepsis: the silent killer that claims around 44,000 lives every year in the UK', *Wounds UK*, 14(1), pp. 94–95. Available at:
